SEC. 2. FINDINGS; DEFINITIONS.

(a) FINDINGS.—Congress makes the following findings:

(1) On the field of battle, the members of the Armed Forces who defend the Nation are honor-

1 bound to leave no one behind and, likewise, the Na-
2 tion is honor-bound to leave no veteran behind.

3 (2) The Department of Veterans Affairs report
4 known as the Community Homeless Assessment,
5 Local Education, and Networking Groups for Vet-
6 erans (CHALENG) assessment, issued in May
7 2000, reports that during 1999 there were an esti-
8 mated 344,983 homeless veterans, an increase of 34
9 percent above the 1998 estimate of 256,872 home-
10 less veterans.

11 (3) Male veterans are more likely to be home-
12 less than their nonveteran peers. Although veterans
13 constitute only 13 percent of the general male popu-
14 lation, 23 percent of the homeless male population
15 are veterans.

16 (4) Homelessness among veterans is persistent
17 despite unprecedented economic growth and job cre-
18 ation and general prosperity.

19 (5) While there are many effective programs
20 that assist homeless veterans to again become pro-
21 ductive and self-sufficient members of society, cur-
22 rent resources provided to such programs and other
23 activities that assist homeless veterans are inad-
24 equate to provide all needed essential services, as-
25 sistance, and support to homeless veterans.

1 (6) If current programs to assist homeless vet-
2 erans are fully maintained but not expanded, vet-
3 erans will experience as many as a billion nights of
4 homelessness during the next decade.

5 (7) The CHALENG assessment referred to in
6 paragraph (2) reports—

7 (A) that Department of Veterans Affairs
8 and community providers were responsible for
9 establishing almost 500 beds for homeless vet-
10 erans during 2000, including emergency, transi-
11 tional, and permanent beds; and

12 (B) that there is a need for about 45,724
13 additional beds to meet current needs of home-
14 less veterans.

15 (8) As of February 28, 2001, the Congressional
16 Budget Office forecasts a Federal budget surplus of
17 \$313,000,000,000 for fiscal year 2002 and budget
18 surpluses totaling more than \$5,610,000,000,000
19 over the next 10 years.

20 (9) At least \$750,000,000 will be required to
21 establish the 45,724 additional new beds now needed
22 by homeless veterans, according to an informal De-
23 partment of Veterans Affairs cost estimate.

24 (10) Even if the Department of Veterans Af-
25 fairs and its partners created 2,000 additional beds

1 per year for homeless veterans (roughly quadrupling
2 the number of such beds they currently plan to open
3 annually), it would still take more than two decades
4 to provide the necessary additional beds to meet the
5 current needs of homeless veterans.

6 (11) Nearly four decades ago, the Nation estab-
7 lished a goal of sending a man to the moon and re-
8 turning him safely to earth within a decade and ac-
9 complished that goal, and the Nation can do no less
10 to end homelessness among the Nation's veterans.

11 (b) DEFINITIONS.—For purposes of this Act:

12 (1) The term “homeless veteran” means a vet-
13 eran who—

14 (A) lacks a fixed, regular, and adequate
15 nighttime residence; or

16 (B) has a primary nighttime residence that
17 is—

18 (i) a supervised publicly or privately
19 operated shelter designed to provide tem-
20 porary living accommodations (including
21 welfare hotels, congregate shelters, grant
22 per diem shelters and transitional housing
23 for the mentally ill);

1 (ii) an institution that provides a tem-
2 porary residence for individuals intended to
3 be institutionalized; or

4 (iii) a public or private place not de-

5 patient functionality, reduction in addiction severity as
6 well as service utilization and treatment costs with results
7 for similar chronically mentally ill veterans provided treat-
8 ment through traditionally consultative relationships.
